Welcome to Caron Connections, your free e-newsletter from Caron International.

We are very excited to debut a brand new look for our website and to celebrate, we're launching some brand new free projects online! As you browser through our "new and improved" site, you'll find that we've made searching for information about our yarns a little easier. Now, for example, if you want to see all the colors, and information about yardage, gauge and care for Simply Soft®, you can find it all on one page here.

Another improvement we've initiated is to include a "printer-friendly" PDF link for each of our new projects. This PDF will contain an image of the pattern, materials list, instructions and schematics, too. Let us know how you like these improvements. Send your comments to web-editor@caron.com. We'd love to here from you.

Simply the Softest

At Caron, we are extremely fortunate to work with some of the very best knit and crochet designers in the country. This month, we're featuring a brand-new exclusive design from one of our favorites, Doris Chan. This must-make Lacy Jacket features Simply Soft Brites in Blue Mint, but you could easily create a wardrobe staple in Black or Soft Sage or Country Blue to wear with your favorite jeans. And, this pattern is sized to 2X, making everyone look absolutely beautiful! [Free pattern instructions here.](#)

Take a peek at the delightful new patterns (below) featured in our newest advertising campaign—Soften Your World with Simply Soft. If you've stitched with Simply Soft, you know about the unique cuddly softness and luster of Simply Soft and we hope we've conveyed the idea in our newest campaign. We hope you enjoy this new round of projects!
