# Boo-tiful Stitches

Stitching up decorations to dress up your home for the holidays is so much fun—especially when you can use them year after year. We hope our Halloween trio of projects, crocheted in [Simply Soft](#) and [Glimmer](#), will help you add to your Halloween collection in style.

As with lots of other Halloween fun, things are not quite what they seem. with these projects. The wonderful [Tunisian crochet throw](#) is actually the size of a generous "lap robe" and can also be used as a wall hanging. The [crocheted spiderweb](#) is actually adapted from a circle shawl pattern from the 60s. Fold it in half and drape it around your shoulders on a cool (Halloween!) night. And the [spider](#), well the spider's just spooky. Enjoy!
