In single crochet, 16 sts and 16 rounds = 4"/10 cm, using MC

STITCHES USED

Chain (ch) Begin by making a slip knot on your hook. * Wrap the yarn around the hook (yarn over) and pull up a loop, [draw the yarn through the loop on the hook to form the first chain]. Repeat from * for number of chains required. Note: The loop on the hook is not included when counting the number of chains.

Single crochet (sc) Insert hook in stitch indicated, yarn over and pull up a loop, yarn over and draw through both loops on hook.

Slip stitch (slip st) Insert hook in the stitch indicated, yarn over and draw through both the stitch and the loop on the hook.

NOTES

1. Hat is worked from top down in continuous rounds, without joining.
2. Place a marker (pm) for beginning of round; move marker up each round.
3. Each increase row adds 6 sts to the circumference; for a larger hat, work 1 (2) additional increase rows for a hat that measures approximately 13 1/2 (15)" in circumference—54 (60) sc.

HAT

Using MC, chain 2.

Round 1: Work 6 sc in second ch from hook—6 sc.

Round 2: Pm for beginning of round; work 2 sc in each sc around—12 sc.
